DEADLINE FOR ORDERS THURSDAY FEBRUARY 8!!

Payment Options

Primarily we prefer to have payments through our online system to not only cut down on paper use but to minimize the amount of hours spent manually logging in all of our orders. We understand that this is new and that there will be an adjustment period so we appreciate your patience as we do our best. The online payment method will accept VISA, VISA Debit and MasterCard, MasterCard Debit. Prepaid credit cards under both providers are also accepted. Transactions on your credit card statement will appear as "SAGOTO SOLUTIONS". The option to opt-out of the lunches will be on the online form as well so please take a moment to fill out a form whether or not your child will participate in the lunches.

Growing with the times

Because this is our first time using an online service, the Home & School have decided to do a trial run to see how this system works with our St. Pat's population. For the month of February we will only offer payment for this month only, we will set up multiple months later. We have also had to adjust some of our prices in order to offset the fees of going online.

Now onto the bright side, by paying online:

You will receive email confirmations of your orders.

You will also have a receipt sent to you in a separate email.

You can order for all of your children in one transaction.

We save trees!!

FAQs

- I am not comfortable paying online, do I miss out? Absolutely not, we understand that one size does not fit all! Simply send us an email at stpatrickfundraisinglunches@gmail.com and we can send you a pdf to print/fill out. Make sure you clearly label the envelope with your child name and group number. All cheques must be made out to St. Patrick Home & School
- I missed the deadline can I still order? Unfortunately no, we regret that we will no longer process late orders as we need to make sure we give our vendors enough time to prepare.
- Will we ever be able to pay until the end of the year? Soon! Once we iron out all of the kinks then yes we will offer the "pay till the end option".
