

Welcome to St. Patrick's Home & School

We would love to have you join us!!

As a member of Home & School, you can be as active as you wish.

Being a member means that you have a chance to share ideas and vote on matters that make a positive difference in the lives of all students here at St. Pat's. Members of the H&S can be involved in that planning as well as the execution of special events for our school and it's a great way to meet other parents! We understand that between work and family there is not much time left in a day. This is why becoming a H&S member does not mean that you are required to volunteer your time or that you must attend monthly meetings, we appreciate your support in what ever form you are able to offer.

Along with your membership to our association, you will automatically be affiliated with both the Quebec Federation of Home & School Association (QFHSA) as well as the Canadian Home & School Federation (CHSF).

The membership fee for the 2017/18 school year, as set by the QFHSA is \$18.00. If you are already a full member at another school and would like to join us as an Associate Member the fee is \$1.00.
