1. ANALYSIS OF THE SITUATION

Description of the findings that emerge from the situation analysis with respect to bullying and violence

St. Patrick Elementary School is currently comprised of almost 500 students as well as over 80 staff members. The school strives for excellence in all areas of school life. We are committed to creating a safe and caring learning environment . Our goal is for all students to learn and to grow through opportunities which will allow each of them to reach their personal, academic, social and emotional goals.

From the 2022-2023 Our School Survey, reports from grade 4-6 students indicate that verbal and social bullying are the most predominant forms of bullying, with lower levels of physical and cyber-bullying. The vast majority of incidents take place during recess or on the school bus, times when there is less direct adult supervision.

Priorities identified with respect to bullying and violence

- Helping students and our community understand the difference between bullying and conflict.
- Encouraging students to report incidents of bullying or violence.
- Emphasizing the importance of kindness and positive conflict resolution strategies.
- Creating a school wide approach to social emotional learning (common language and strategies)
- Finding sources of data to identify areas of concern and then measure progress in those areas of concern.

2. PREVENTION MEASURES

LBPSB sanctions its schools and centres to carry out additional measures to promote Equity, Diversity, Dignity, and Inclusion (E.D.D.I.) for all the parties of the school community and their partners.

3. MEASURES TO ENCOURAGE PARENTAL COLLABORATION

Parents are valuable partners and it is important to work together when it comes to taking action to prevent and stop bullying and violence. It is together that we can find the solutions. This collaboration will enable us to continue to flourish and succeed in an atmosphere of mutual respect ([LBPSB Policy on Safe and Caring Schools](#)).

Measures encouraging parent(s)/guardian(s) collaboration in preventing and stopping bullying and violence and in creating a healthy and secure learning environment.

- The Code of Conduct and the ABAV Plan will be made available to parent(s)/guardian(s); it will be posted on the school website.

St. Patrick Elementary shall review the LBPSB Anti-Bullying, Anti-Violence policies on an annual basis. A permanent link to this document will be on the St. Patrick Elementary website.

-St. Patrick will commit itself to including references to anti-bullying/anti-violence themes at gatherings such as curriculum night, interview/portfolio evenings, etc. The difference between bullying and conflict will be emphasized to the school community. When an incident/issue is repetitive, parents are strongly encouraged to report the issue to staff in a timely manner.
